**SPONSORSHIP &  
PARTNERSHIP  
OPPORTUNITIES**

# SPONSORSHIP OPPORTUNITY ELYSIAN AWARDS 2026

**Celebrating the unsung heroes whose care, compassion, and quiet courage change lives every day.**

The **2026 Elysian Awards** will take place on **April 18th 2026** at **G Live in Guildford**, bringing together leading voices from healthcare, therapy, education, and the charity sector for an unforgettable evening of recognition and inspiration.

This year's ceremony will feature special guest **Jo Brand**, whose passion for mental health advocacy adds even greater resonance to our celebration.

Now long established as one of the UK's most celebrated comedians, Jo is the star and writer of *Getting On*, the BBC's BAFTA award-winning series set on a hospital geriatric ward, partly inspired by her earlier nursing career.

## WHY SPONSOR?

Partnering with the **Elysian Awards** is an opportunity to showcase your organisation's leadership in mental health, wellbeing, and community impact, while aligning your brand with excellence in transforming lives across healthcare, social care, education, and therapy.

As a sponsor, you will:

- **Gain high-profile brand visibility across event, media, and digital platforms.**
- **A chance to enjoy VIP access and networking with leaders across sectors.**
- **Maximise visibility through inclusion in social media, newsletters, and coordinated pre- and post-event promotions.**
- **Align your brand with compassion, innovation, and social impact.**
- **Champion mental health and wellbeing through visible community support.**
- **Be recognised as a founding partner of a landmark, growing event.**
- **Access custom branding and activation opportunities on-site.**

Rooted in **Elysian's** ethos, the awards celebrate people who go beyond systems and tick-boxes. People who show up, build trust, take risks, and offer something truly human in education, health, care, outreach and therapeutic work.

# SPONSORSHIP OPPORTUNITY ELYSIAN AWARDS 2026

## About Us

**Elysian** is a UK-based organisation offering therapeutic learning through animal assisted interventions (AAI) and outreach. Across our five sites in Surrey and Hampshire, including three registered SEN independent schools, we provide farm-based education, animal assisted therapy, training, workshops and life skills programmes to support social, emotional and personal growth.

At the heart of our work is a simple purpose: to create spaces where those who feel unseen or left behind can reconnect, heal and thrive.

The **Elysian Awards** celebrate those who share this vision, honouring people who lead with empathy, creativity and courage - recognising the unsung heroes whose care and work helps change lives every day.

“THIS IS ABOUT THE  
KIND OF WORK THAT DOESN'T CHASE  
RECOGNITION – BUT DEEPLY  
DESERVES IT.”

Dr. Charlotte Williams
